

Kyra Veprek | Curriculum Vitae

kyraveprek24@gmail.com

Education

Brown University - Providence, RI Ph.D., Cognitive Science <i>Dissertation</i> : “The Visual Control of Collision Avoidance Across Contexts”	2021-2026 (Expected)
Brown University - Providence, RI M.Sc., Cognitive Science <i>Thesis</i> : “Walking Through a Crowd: Modeling Pedestrian Collision Avoidance Behavior”	2021-2023
University of Massachusetts, Amherst - Amherst, MA B.A., Psychology; B.A. Studio Art <i>Honors Thesis</i> : “Investigating the Horizontal Advantage in Symmetry Perception”	2018-2021

Peer-Reviewed Conference Proceedings

Feldmann, S., Veprek, K., & Warren, W. H. (2025). Formation of lanes and stripes in crossing pedestrian flows using an empirical human model. In *Proceedings of the Traffic and Granular Flow Conference. EPJ Web of Conferences* (Vol. 334, p. 04011). EDP Sciences.

Conference Presentations & Abstracts

Feldmann, S., Veprek, K., & Warren, W. (2025). Simulating crossing pedestrian flows with a vision-based model of collision avoidance. Talk presented at the *International Conference on Pedestrian and Evacuation Dynamics (PED)*, Prague, Czech Republic.

Veprek, K., Feldmann, S., & Warren, W. (2025). Visual model of locomotion reproduces lanes and stripes in crossing human crowds. *Journal of Vision*, 25(9), 2681-2681.

Veprek, K., & Warren W. (2024). How many potential collisions do we respond to at once: Investigating the efficacy of visual thresholds in human crowds. Poster presented at the *International Conference on Perception and Action*, Trondheim, Norway.

Veprek, K., & Warren, W. (2024). How many moving obstacles do we respond to at once? A temporal threshold model best accounts for collision avoidance in a crowd. *Journal of Vision*, 24(10), 1313-1313.

Veprek, K., & Warren W. (2023). Human collision avoidance with multiple moving obstacles. Talk presented as part of the symposium *Flow in Flight* at the *International Conference on Perception and Action*, Guadalajara, Mexico.

Veprek, K., & Warren, W. (2023). Visual Collision Avoidance in a Crowd. *Journal of Vision*, 23(9), 5545-5545.

Veprek, K., Esiason, J., and Zarch, R. (2021). The footprint of RPPforCS: A national look at communities served by research-practitioner-partnerships in computer science. Poster presented for *Research on equity and sustained participation in engineering, computing, and technology (RESPECT) IEEE*, Remote.

Awards

2024 National Eye Institute Early Career Travel Award
Vision Sciences Society Annual Conference

Workshops & Certifications

2024 Teaching Certificate II: Course Design
The Harriet W. Sheridan Center for Teaching and Learning, Brown University

2024 Workshop on Interacting Particle Systems: Analysis, Control, Learning, and Computation
Institute for Computational and Experimental Research in Mathematics (ICERM), Brown University

2022 Teaching Certificate I: Reflective Teaching
The Harriet W. Sheridan Center for Teaching and Learning, Brown University

Service & Leadership

2024-2025 **Member**, Diversity and Inclusion Action Plan, Community Outreach Committee
Department of Cognitive & Psychological Sciences, Brown University

2024 **Lead Organizer**, Graduate Program Recruitment Preview Event
Department of Cognitive & Psychological Sciences, Brown University

2023-2025 **Lead Organizer**, Vision Science Reading Group
Department of Cognitive & Psychological Sciences, Brown University

2025, 2023 **Cognitive Science Representative**
College Day at Brown

- 2022-2023 **Graduate Student Representative**
Department of Cognitive & Psychological Sciences, Brown University
- 2022-2024 **Department Peer Mentor**
Department of Cognitive & Psychological Sciences, Brown University

Teaching

- 2025 **Research Methods**, Graduate Teaching Assistant
Department of Cognitive & Psychological Sciences, Brown University
- 2024, 2023 **Introduction to Statistical Methods**, Graduate Teaching Assistant
Department of Cognitive & Psychological Sciences, Brown University
- 2023 **Learning & Conditioning** Graduate Teaching Assistant
Department of Cognitive & Psychological Sciences, Brown University

Professional Societies

Vision Sciences Society

International Society for Ecological Psychology
